

M C/P Series

Yamato

Mechanical Dial Scale - Produce

The Accu-Weigh® M C/P Series of mechanical scales, with capacities ranging from 2 lb to 150 lb (900 g to 67 kg), suits a world of applications. The optional air dashpot is convenient for fast, high volume weighing applications; the dashpot acts as a “shock absorber” to reduce the oscillations of the indicator needle providing faster weight readings. A baked enamel steel body with a circular platform is standard with these scales and two bowl options (2 2/3 quart bowl and 4 1/4 quart bowl) are available.

Features

- Multiple Capacities
- Fine Point Indicator for Accuracy
- Circular Platform
- Accurate - Temperature Compensated Spring Mechanism
- Easy to Read - 30° Tilted Dial
- Rugged, Durable Steel Construction
- Zero Setting Mechanism
- Designed to be used with a container

M-40PK C/P with OUD-171
