

Meat Products

Yamato

Functionality & Customization

- Scales integrate with pre-made bag, tray, tub, cup, jar, and bowl lines, as well as VFFS and HFFS for various package styles and sizes
- Models suitable for handling sticky products
- Auto-feed control for optimum product distribution
- Ultra Heavy duty load cell withstands up to 150kg, limiting damage during rough maintenance.
- Alarm display and replacement time display for consumable parts allow for a preventative maintenance schedule.
- Minimal downtime for maintenance
- Multiple surface texture options to optimize performance

Outstanding Food Safety

- IP67 model helps you maintain product sanitation standards.
- Yamato scales are designed for quick and easy cleaning.
- Built for washdown environments
- 60% less power consumption and less heat generation helps maintain product condition and limits negative environmental impact.

Applications

- Diced or cubed meats
- Jerky
- Bacon bits
- Meat sticks
- Shredded meats
